SCHOOL UNIFORM ORDER

The Department of Education and Training has given clear guidelines to all students in regards to compulsory school uniforms. Uniforms promote a sense of inclusiveness and belonging to the school. They also look neater and increase the personal safety of the students when they are at school and during excursions and travel.

Cassia Education Support Centre’s school uniform is a navy blue polo shirt with our white school logo. There is no set uniform other than the shirts but we ask that parents consider black shorts or skirts to match.

Each shirt costs $15.00 and are available in sizes 4 through to XXXL.

If you would like to place an order for school shirts please complete the following and return this form along with your payment to the Front Office at Cassia Education Support Centre.
